Montana Office of Public Instruction
Elsie Arntzen, Superintendent

Workshop begins at 8:00 a.m. (check-in at 7:45 a.m.) and ends at 5:00 p.m. The one-day workshop includes two hours of classroom instruction with behind-the-wheel maneuvers on the closed raceway track next to the Lewistown Airport.

Each workshop is limited to 12 drivers with 4 instructors, so every driver benefits from individual attention and has hours of hands-on practice behind the wheel of the Skid car and/or bus, truck, or ambulance. Drivers learn to respond safely to typical driving risks, gaining important confidence and skill.
